Name:*

Full Mailing Address:*

Institute/Company:

Telephone No.:

Fax No.:

E-mail:

We wish to use material from the following:

Author:*

Article Title:*

Journal/Book Title:*

ISBN/ISSN/DOI:

Volume/Issue/Year/Page:*

Details of which part of the material is to be used (e.g., figure/table/text):*

.....
.....
.....
.....
.....

* denotes compulsory information

The material will be used in our publication **Science of Synthesis** in print and also in an electronic version. The electronic version will be available in various formats such as XML and ISIS. The material will be used in intranets and the use will be restricted to registered users. A CD-ROM version of the content may also be possible in later years. **Science of Synthesis** is an English-language publication.

We enclose the following for your further information:

- a copy of the original figure/table/text
- an example of how the material will be reproduced

If you have any further queries, please do not hesitate to contact me (address given above).
