# MedOne
Instructions on how to access MedOne from home

In order to access MedOne from outside your institution, you must first set up a username and password in the IP range of your institution. This step must be completed on a PC within your institution, so that you are recognized as a legitimate user.
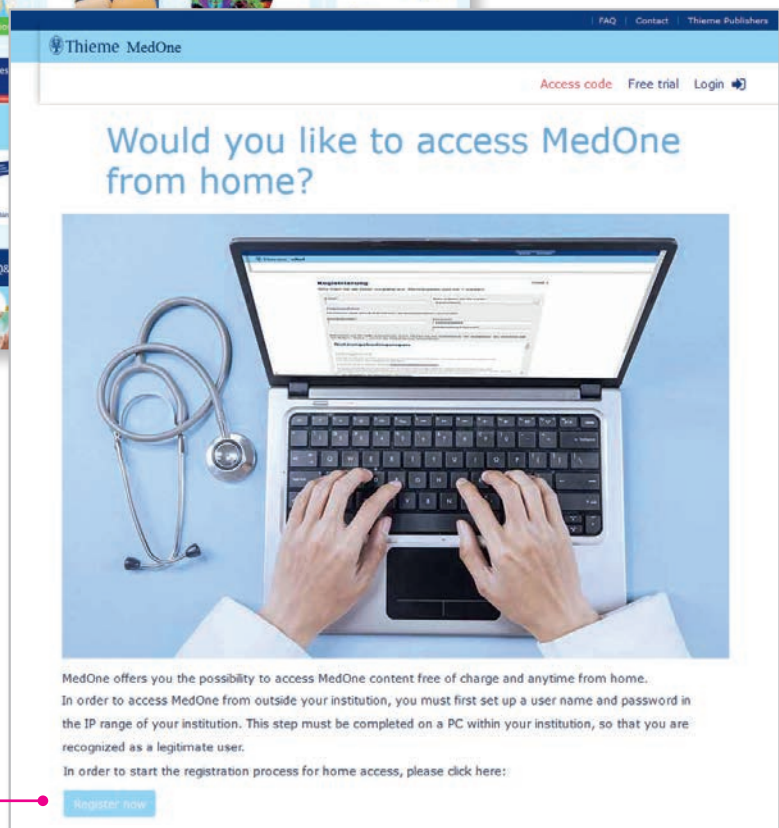

Go to the MedOne product you would like to access:
http://medone-comsci.thieme.com
http://medone-education.thieme.com
http://medone-neurosurgery.thieme.com
http://medone-plasticsurgery.thieme.com
http://medone-radiology.thieme.com
http://medone-spine.thieme.com

Select "Sign up for access from home" to register for your personal access from home.

Please note that you have to be within the IP range of your institution so that you are recognized as a legitimate user.
